

DUBAI OPERA – STAGE AUTOMATION TEAM PROFILE

EMAAR ENTERTAINMENT L.L.C

“Every single member of our organization adds a great value. Emaar is not a collection of talented individuals, but a team of great pooled talent.” – Mohamed Alabbar

ABOUT THE COMPANY

Emaar Entertainment has a unique portfolio of attractions that are truly innovative and transcend just entertainment or leisure. Its assets include some of the city’s most unique entertainment venues including Dubai Aquarium & Underwater Zoo, Dubai Ice Rink, KidZania®, VR Park & Digit. Highlighted by its philosophy to ‘inspire joy’, each attraction opens a door to an exceptional world of excitement for visitors.

Dubai Opera is the first venue of its kind in Dubai. Dubai Opera has the exceptional ability to transform into three modes: from a theatre into a concert hall and into a ‘flat floor’ mode becoming a banquet or event hall. This seamless flexibility has and continues to enable Dubai Opera to host a wide variety of events including theatre, opera, ballet, concerts, gala dinners, weddings and Iftar.

ABOUT THE FUNCTION

The Stage Operations Team ensures the highest standards of Health and Safety regulations together with maintaining the quality of the performance at all times. From inception to completion of the stage aspects for our visiting companies, performers/productions and events
